3724 Cook Blvd.  
Chesapeake, VA 23323  
P: (757) 487-8977  
[www.kitchencorps.com](http://www.kitchencorps.com)

THE DIFFICULT WE DO RIGHT AWAY, THE IMPOSSIBLE TAKES JUST A LITTLE BIT LONGER

## Temporary Kitchen Timeline

*The following is some estimated time frames for you to be aware of during the process of renting.*

### **24 – 48 Hour After Initial Contact**

- You should receive an estimate proposal based on initial conversation only
  - Depending on how complex the project is, some items may take longer i.e. transportation, set up
- You should also receive template drawing of the type of temporary facility you are requesting
- Pricing subject to change after 30 days and prior to execution of lease

### **Execution of Lease**

- An authorized representative from both companies signed the Equipment Lease Agreement
- The Security Deposit has been paid in full
- An authorized representative signature on drawing of temporary facility

### **Prior to Delivery of Facility**

- Have all contractors ready to bring utilities to facility
- Prepare the space the temporary facility will be placed on
- Have all required permits
- Send KCI a copy of the required insurance coverage
- Pay 50% of Set Up and 1<sup>st</sup> Month's rent to KCI
- Complete On-Rent Form

### **30-40 Days After Execution of Lease**

- Delivery of Temporary facility to your project site
- Expedited fees for delivery less than 30 days from contract if possible

### **3-10 Business Days After Delivery**

- Testing/Completion of Set Up (If all requirements were met)
- The single units take generally 3 Days and the multi-unit set ups are longer

### **30 Days Prior to Completion of Rental**

- Complete Off-Rent Form and give to KCI

### **2-10 Days After Completion**

- Testing/Removal of facility from your site (If all requirements were met)
