

# CAPABILITY STATEMENT

Designs, fabricates, and deploys temporary commercial kitchens built around one critical objective:  
**keeping food service operational.**

RENOVATIONS | EMERGENCIES | PLANNED OUTAGES

## COMPANY OVERVIEW

**KCI Temporary Kitchens, LLC** designs, fabricates and deploys temporary commercial kitchen facilities for institutions that cannot interrupt food service. From layout and facility preparation through delivery, setup, startup, testing and training, one experienced team supports the project.
